Re: Wisconsin and Federal WARN Notice

Dear Sir or Madam:

I am writing in compliance with Wisconsin Statutes Chapter 109.07(5) and, if applicable, pursuant to the Federal Worker Adjustment and Retraining Notification Act (collectively, "WARN").

On March 9, 2017, Gander Mountain (the "Company") filed a petition under Chapter 11 of the bankruptcy laws. In connection with this filing, the Company was sold.

In connection with the sale, as of August 30, 2017, or shortly thereafter, the store sites listed on the attached will no longer have any employees and their employment with the Company will end. The separation of employment by the Company is expected to be permanent and the entire facilities listed on the attached will close. No bumping rights exist.

No collective bargaining agent has been certified for the employees as of the date of this letter.

I am the Company official who may be contacted for further information, and you may contact me directly at the following address and telephone number:

Mr. Timothy Becker
180 East 5th Street, Suite 1300
St Paul, MN 55101

The store sites, their addresses, and the number of employees affected by the separations at each store are identified on the attached. Information regarding the job titles that are affected and the number of affected employees in each job classification is available upon request.

Please feel free to contact me at the above address and telephone number should you have any questions. Thank you.

Sincerely,

Timothy Becker
